

# THE INNKEEPERS' TANGO

## *Innkeepers*

The inn is full as you can see,  
We have no rooms for you to stay here,  
The whole of Bethlehem is packed,  
You'll find no space I guarantee.  
We've had to squeeze the people in,  
We have no rooms for you to stay here,  
The whole of Bethlehem is packed,  
You'll find no space I guarantee.

(With optional harmony)

**CHORUS** *We're all so busy,  
We have no rooms free,  
You'll have to try your luck elsewhere.  
This place is heaving  
From floor to ceiling,  
We've not an inch to spare!*

*Repeat song*
