

## Pegasus Class – Nursery

What a fabulous first term we had! We welcomed back some of our children from the summer term and we welcomed lots of new smiley faces to our class. We are now looking forward to an exciting Spring term, with even more new friends, who we know will settle into our fantastic nursery really quickly.

### **Spare clothes!**

We have so many opportunities for the children to learn through their play each day, which means sometimes they get wet and messy. They do love the potion station and mud kitchen! Therefore, could we please ask that all children bring a bag with a change of clothes, including underwear and socks into nursery every day. Can we ask that all items are clearly named.

### **Betty Bee!**

We have a new friend in Pegasus - Betty Bee. Betty Bee we will be sent home for the weekend with the child who is our Bees Knees for that week. Betty is excited for her new adventures. We would love for you to share your child's adventures with Betty and record this in her special book. This can be through photos, drawings and some brief notes of the adventures had. We can then share in class on a Monday morning.

### **Play and learn bags!**

We have some new exciting 'Play and Learn' bags to share with the children. These bags each contain a book, a related toy and an activity such as a rhyming game. We will be sending these home for the children to enjoy with their families over the weekend. We will send a bag home on a Friday and ask that they are returned to school on a Monday. We will rotate these bags between the children each week, so your child will not get a play and learn bag every week.

### **Reading books!**

For those children that have a school book bag, reading books will be changed weekly with your child on a Monday or Tuesday.

### **Healthy lunches and water bottles!**

Due to our growing class and some water bottles being the same, can we please ask all parents to supply a named water bottle filled with water and not juice.

We as a school promote a healthy lifestyle for everyone. Please ensure your child's lunch box has a variety of healthy foods and please do not add in sweets and chocolate as these are not permitted in lunch boxes.

Many thanks.
