

## Pegasus Class – Nursery

What a great, fun half term we have had! We loved meeting some new friends into Pegasus class, who all settled brilliantly, making many friends and enjoying exploring the exciting learning environment we have. We are very much looking forward to our final half term of the academic year and hope to spend lots of time outside in the sunshine!

### It is getting hot!

As it seems the warmer weather is finally approaching, can we please remind parents to bring in a named water bottle, filled with water only for their child.

Please can we ask that all children bring in a bag into school, with a change of clothes including underwear and socks. This can be left on your child's peg if you wish and we will send home when we use items. As the warmer weather approaches, the children tend to enjoy lots more water play, meaning they may need to be changed. Can you please also provide a named sun hat and do not forget a once a day application of sun cream!

Can we please remind parents about suitable footwear for school, sandals and open toed shoes are not suitable in our nursery environment. The children are very active and have lots of fun resources - we do not want any little toes getting hurt.

### What we've been up to...

The children had a great half term, continuing to explore all areas of their environment both inside and outside. They have loved our new stage, dressing up and putting shows on for their teachers and friends. We have also enjoyed getting dirty, digging out the planters, ready for some new plants. A favourite session has been dough disco upstairs in the art room. What will we get up to in our final half term?

### EExAT

Thank you so much for all of you that are sharing your home learning, we are really enjoying seeing what you all get up to at home with your families, please keep sharing!

If anyone needs any help or support with using the EExAT parent app to upload and share your photos, then please do not hesitate to speak to a member of staff.

### Coming up this half term!

We have lots of fun things planned for this half term, two parent drop ins, Father's Day breakfast, sports day, and for our children moving into reception classes there will be transition days for them to meet their new teacher and spend time in their new classrooms. We will keep you posted on all the dates you need to know.
