Terms and Conditions

All entries received before the closing date and time will be judged. Drawings must be on an A4 piece of paper, scanned, emailed or taken a photo off. The entries must include/involve physical activity or active travel, or be about air quality. Any other entries will not be counted. An overall winner will be decided on by the transport policy team in Milton Keynes Council. The decision will be final and binding. We will not correspond or communicate on winning entries.

The winner will receive a scooter up to the purchase price of £50, being able to select their colour and size. The scooter will be ordered when communicating with the winner. Delivery time will then apply.

The winner's school will receive a free scooter pod; the council will make contact with the winner's school which needs to be provided on the entry email on 29th May 2020.

There is no cash alternative for the prizes.

All entries could and might be used to produce a video of entrants. When sending in the entry this is the participant agreeing for their photo or drawing to be used in the video. Entrants must currently attend a school in Milton Keynes.

All entries must be the original work of the entrant. The photo must only include individuals who live in your household, and you must adhere to government guidelines when taking the photo. You must gain consent from any other individual who is in the photo.

The deadline for entries is 12pm on Friday 29th May 2020. Any entries sent after this date and time will not be included.

The winner will be contacted using the details they provided on their entry email on 29th May 2020. If we cannot contact any winner, or a prize remains unclaimed 10 calendar days after being notified, it will be forfeited. We will then choose a new winner for that prize.

There is no charge to enter the competition.

Good Luck!
