

## Pegasus Class – Nursery

What a very different start to the year we are having! Although we are sad not seeing all the children in class, we are glad you are keeping safe at home with your family. We hope that it will not be long until we are all back together.

### Changes in Nursery class!

As most of you are aware Mrs Chesters is having a baby in March, which is very exciting! Mrs Chesters is currently working from home so we will not see her back in class now before she goes off on maternity leave in February.

Mrs Purnell is returning from maternity leave and will be joining us for a few sessions a week before she is back full time at the beginning of February. Mrs Purnell will be taking over Mrs Chesters' key group and is excited to get to know all the new children. Some of you will remember Mrs Purnell from last year, before she left to have her little boy.

Mrs Chesters promises to send pictures of her baby once they are born so we can all see, and once we are all back together and Mrs Chesters can, she will pop in, so we can all meet her baby.

### Daily Zooms!

We hope you are enjoying our daily zooms. We are changing them slightly to fit in with all the children, both in school and at home. Mrs Mennell will now be doing her phonics sessions at 11.15am and at 2.15pm; we will be having a variety of story time, music & movement and some fun activities. We hope all our lovely children at home can keep zooming in, as we love to see your faces every day

### EExAT

Thank you to everyone who is uploading photos onto EExAT, we love seeing them.

We hope the children at home are enjoying their weekly challenge, we love seeing what you have created or found. We are also enjoying seeing what you can find around your house beginning with certain sounds that Mrs Mennell is asking you to find. Keep up the great work, children and parents.

We know it is not easy to speak to staff at the moment, with trying to keep everyone safe. However, we are still very much here for you. If you do need to speak to a member of Nursery class, you are welcome to call the school office, on 01908 410330 and your child's key person will call you back at the end of the school day. Or please email us, on;
