

## Pegasus Nursery Class

It has been wonderful to have all the children back in Pegasus Nursery Class after such a long time away, we have been so proud of how well they have settled-in. We would like to warmly welcome all the new children and their families who have started with us this term.

### Baby News!

We are so excited to announce that Mrs. Chesters has had a beautiful baby girl, I'm sure she will bring the baby to meet the children as soon as it is safe to do so. Miss. Purnell has returned after her maternity leave and has taken over as the key person to the children who were in Mrs. Chesters' group.

### Please Provide...

A family photograph, which we can put up on display within our class.

Let us know about any celebrations or festivals you celebrate at home.

If you speak another language at home, please let us know some greetings, such as hello, goodbye.

If you have any old, unwanted costume jewellery, we would love to take it off your hands for our planned dressing-up area!

Please email this information to your child's key person. We can print your photo in school also.

### Egg-citing News!

We have some chicken eggs arriving in Pegasus Nursery Class after the Easter break! It will provide a wonderful opportunity for your child to observe the chicks hatching the life-cycle process first hand and learn how to care for animals.

### EExAT

Please check your child's EExAT account (some of our new starters may not be registered yet). A photo is shared most weeks, with the addition of a termly journal.

### Clothing and Labelling

Please provide your child with a full change of clothing, including socks and underwear! We explore lots of water play during the summer term! Please ensure all your child's belongings are LABELLED, including their bags, lunch boxes and all items of clothing. As the weather can be very changeable in April, please ensure your child has appropriate clothing for the day as access to the garden is available at all times.
