Return to school – Monday 12th April 2021

Dear Parents/Carers,

We hope you have all enjoyed a good Easter break. We are looking forward to the start of the Summer Term and staff have been in school over the holidays preparing for our return.

As you are aware Monday 12th April 2021 marks the next step in the Governments lockdown road map and hopefully we can all start to enjoy a little more freedom. With this in mind I would just like to remind all our parents and carers that the guidelines for schools still remain the same for the foreseeable future and we will continue to observe all the control measures that we have in place.

By way of a reminder please take time out to re-visit some of the measures below before we return to school on Monday 12th April.

Staggered start and finish times

We will continue to have staggered start and finish times to minimise the amount of people on the school site at any one time. The times for each group remain as follows:

Year Group	Start time	Finish time
Nursery (Pegasus)	8.30am 12.30pm	11.30am 2.30pm 3.30pm
Reception (Aurora & Flora)	8.30am	3.10pm
Year 1 (Luna & Apollo)	8.30am	3.10pm
Year 2 (Neptune & Vulcan)	8.40am	3.20pm
Year 3 (Juno & Jupiter)	8.40am	3.20pm
Year 4 (Mars & Pax)	8.40am	3.20pm
Year 5 (Mercury)	8.30am	3.30pm
Year 6 (Saturn)	8.30am	3.30pm

Please continue to adhere to the following measures when entering the premises in order to try and reduce the risk of further cross infection:

- **Observe a 2 metre social distance**
- **Wear a mask when entering the premises**
- **Observe the one way system at the entrance**
- **Only 1 parent on site with their child**

- **Observe the yellow 2m distance lines marked outside the classroom doors when dropping off and collecting your child.**

Please ensure that your child is in school for their designated start time as learning begins the minute they enter the classroom. The school gates will be open from 8.30am and close promptly at 8.45am. Registers are taken at 8.45am and anyone arriving after this time will be marked as late.

Equipment

- To avoid additional bags coming into school we ask that on PE days the children continue to come to school dressed in their **School P.E kit**. PE days will remain the same as before the holidays.
- We ask that children **do not** bring large bags into school.
- Children will need to bring their own water bottles (named) and lunch bags if they are bringing lunch in from home.
- Children will be provided with their own stationery set.
- Children will be allowed to bring home reading books.

Symptoms

As before if your child or anyone in your household develops any of the symptoms of COVID-19 (high temperature, loss of taste or smell, persistent cough) you must book a test and all members of the household should isolate until the result of the test is received. If the test is negative your child should return to school. If the test result is positive the whole household should isolate for a period of 10 days.

Parking

We continue to monitor the parking situation in and around the school site for the safety of all our children and at the end of last term we were grateful to all our parents for making a conscious effort to park in the school car park when dropping off and collecting your child(ren) from school. Could we ask that you continue to so in order to maintain the same levels of safety and improved traffic flow.

As always, if you have any questions or concerns please do not hesitate to contact the school.

Yours sincerely

Mrs D Tagg
Deputy Head
