Year 2 Spellings Homework

This week's spelling homework is focused on some of the Year 2 common exception words. They are classed as common exception words as the children are not able to use their phonic sounds or their knowledge of spelling rules to spell the words, they are exceptions to the rule. They rely on the children regularly practising them in order to be able to learn to spell them.

1) Practice the words on this list using look, say, cover, write and check.
