

Wednesday 8th September 2021

Dear Parents/Carers,

A warm welcome back to all our Fairfields families, old and new. It is wonderful to be back and operating with some sense of normality albeit still ensuring that our hygiene control measures remain in place.

The children have settled in beautifully and it is a reminder of just how resilient our children really are. It is lovely to stand on the gate and to walk around school and see so many happy smiling faces and to once again feel the buzz of learning around school.

As always at the start of a new academic year the office staff have lots of information to process and add to our management system. This can only be done once the children return to school so we ask that you are patient and bear with us whilst we get new parents set up on Parent Mail, Parent Pay, etc.

Just a polite reminder to all our parents that should you have any concerns, questions or queries please contact the class teacher or the office for clarity rather than falling into the trap of airing them via social media groups such as Whatsapp. We pride ourselves on running an open door policy and would rather deal with any problems, concerns, worries or questions face to face so the correct information can be given. I am sure you are aware that messages on social media can be easily distorted or mis-interpreted and only cause further worry or upset for some parents. Class teachers are your first port of call as they are with your child(ren) every day and should you then have further concerns you may wish to speak to a member of the Senior Leadership Team.

We look forward to what promises to be an exciting term of learning experiences and opportunities for all our children throughout school and to establishing relationships with families that are new to the Fairfields family.

Thank you for your continued support.

Yours sincerely

Mr M Shotton
Executive Head
