

### **Year 4 Trip:**

On our first day back this half term, Year 4 enjoyed a local trip to Bradwell Abbey! Here we became time travellers and travelled back thousands of years into British history. On this journey we were trained as Roman Soldiers, so that we could fight to conquer new lands and created our very own mosaics to take home with us. After a quick lunch sat in the sunshine, we walked to Bancroft Villa, the location of a ruined Roman Villa where we explored which rooms were used for different purposes, as well being lucky enough to have a session with a professor of osteoarchaeology from the University of Cranfield!
