Dear Parents and Carers,

We are pleased to inform you that the final Ofsted inspection report from our two-day section 5 inspection on 18th and 19th July accompanies this covering letter. The report will also be accessible via the school website today and published on the official Ofsted report website.

It gives us great pleasure to share that His Majesty's Inspectors and team report that there is strong evidence to suggest that Fairfields Primary School is officially a 'good' school with Outstanding areas including Early Years, Personal Development and Behaviour and Attitudes.

We are delighted that the hard work undertaken by the Fairfields staff and IFtL Trust community has been recognised, including the comments regarding staff at the school and how they 'prioritise pupil safety and well-being'. Additionally, it was reported that working with external agencies, the school continues to assure themselves that they are making the right decisions at the right times to keep all pupils safe.

The report itself is very detailed and highlights the many elements of effective provision at Fairfields Primary School as well as the next steps needed to take the school forward. What is very satisfying is that the next steps identified were already within our development plan prior to this inspection and the associated adaptations are being implemented.

Please take the time to read the inspection report in full as it evidences a school that is not only good, but one that continuously strives to improve and excel.

To summarise:

This is an excellent report, particularly at a time when the benchmark for 'Good' is at the highest level it has ever been, and we have been acknowledged as having exceeded this in three of the five areas. The Ofsted inspection was thorough, robust, and professionally rigorous. As a leadership team we were open and transparent around all aspects of school life and had much evidence to support the inspection process.

Once again, may we thank all those involved in the inspection itself, especially the staff, governors, Trustees, parents and the children who shone during the inspection process and continue to make a positive contribution to school life.

Yours sincerely,

Matthew Shotton Executive Head

Kelly Cursley Head of School
