# What activities will they do?

## Pioneering

Pioneers work in small teams to build a catapult, bridge or tower using poles, ropes and a dash of imagination.

## High Ropes

Jacob's ladder and new for 2022:

- All Aboard
- Crate Stack
- Leap of Faith
- Traverse Challenge

## Low Ropes

A rope course at a lower-altitude than our Jacob's Ladder, but just as challenging.

# What activities will they do?

## Bushcraft

Learn how to survive in the wild! From water-collection and filtering, to fire-building and foraging.

## Shelter-Build

A continuation of Bushcraft, work in teams to design and construct natural shelters in the woods.

## Orienteering

Learn how to read a map, then navigate Woodrow's 26-acre grounds on the hunt for clues.

# Why the Woodrow High House?

A study by organisation consortium, **Learning Away**, found that residential trips provide an array of benefits, all of which equip young people with opportunities and tools to flourish and support themselves on the challenging journey into adulthood.

Our expert instructors nurture and encourage each young person every step of the way, helping them to venture outside of their comfort zones. Young people leave Woodrow more resilient, with stronger friendships, and with their confidence levels as high as the Jacob's Ladder they've conquered!

# What happens next?

- ▶ Confirmation letters and permission slips sent home to book your child's place-

Once these have been received:

- ▶ Kit list
- ▶ Medical information
- ▶ Payment details
