

Dear Parent/Carer,

The end of the current academic year will soon be upon us and I'm sure you will be thinking about ordering uniforms for your child's return to school as part of our new Year 6 cohort.

As you may well be aware - our Year 6 children are identified as our 'school leaders' and are required to wear a different coloured uniform to the rest of the school – namely a grey Fairfields jumper, a white shirt and school tie.

Our uniform stockists, Maisies in Wolverton, have the grey jumpers clearly identified as well as our school ties. Their website is - <https://maisies-superstore.co.uk/> for further details.

As part of our recognition of this exciting time with our children beginning Year Six and the extra responsibilities this includes, we will be holding a special assembly on our first day back in September – more details of this will follow in due course.

Please contact the school office if you have any queries.

Thank You for your continued support.

Kindest Regards

*M. Gallop*
