Dear Parents / Carers

On **Thursday 30th November** we will be taking part in 'Be a Superhero for the Day'! The purpose of the day is to help raise funds for the tiniest patients at Milton Keynes University Hospital. All money raised will go towards a new BabyLeo incubator on the neonatal unit at the Hospital.

To raise awareness of World Prematurity Day (nationally on 17th Nov) we will be holding a non-uniform day, where you can have the chance to dress up as a superhero.

We are very mindful that the children have recently taken part in Children in need, and as the aim is to support the charity, we do not want anyone to feel obliged to buy a superhero costume. Your child could make a mask, wear a cape or upcycle an old t-shirt just as a few ideas. If you choose for your child to come as their own superhero in their own clothes, we will have masks that the children can take home to decorate leading up to the event so that everyone can get involved if they would like to.

For our Year 6 children who are partaking on a school trip they will be required to wear school uniform so that they are identifiable whilst on their school trip.

We are raising the profile as well as money for the charity so by taking part alone we are working hard for this incredible charity! We have also set up a just giving page to support the fundraising effort if you chose to donate, alternatively a cash donation can be handed to the class teacher on the morning if you wish.

Thank you for all your continued support and cooperation.

Kind Regards

Kate Carter
