Thursday 23rd November 2023

Dear Parents and Guardians,

We are excited to announce that **on Wednesday 10th January** Year 2 and Year 3 will be visited by Zoolab - an engaging and unique animal encounter experience making scientific concepts come to life.

Each year group will be taking part in an exciting workshop linked to their Spring 1 topic – Year 2 will be looking into habitats and Year 3 will be looking at predators and food chains.

Expect to see and handle animals such as a millipede, tarantula, cockroach, tree frog or toad and even a snake! It will be a terrific experience that will amaze, educate and inspire our learning for the rest of our topic.

In order to meet the cost of the visit, we are asking for a contribution of **£4.90** per child payable via MCAS under the trips section/ also look at your outstanding payments as it will show there also.. Please can all payments be made by **Friday 15th December** to ensure this educational visit can go ahead.

Thank you for your continued support.

From,
Year 2 and Year 3 teams
