Parking Nearby
50 yards away

Exclusive Option

Experienced School Hosts

The staff at Langham Court have been hosting school groups for many years, and can be trusted to ensure you have a stress-free visit.

Available to hire **exclusive use** this popular property was converted from a private house to a hotel back in the 1800s. Very few rooms therefore look the same, but all are ensuite and sleep between 2 and 6 students with regularly spaced single or twin rooms for supervising adults.

Close to the Beach

Shanklin's famous golden sandy beaches, impressive cliffs and array of family seaside attractions such as crazy golf are just a few minutes' walk from Langham Court's door.

This hotel is also in easy walking distance of some of our most popular visitor attractions, such as Shanklin

Theatre and Shanklin Chine.

If you're visiting any Shanklin attractions as part of your itinerary, save on transport costs (and be more eco-friendly) by opting to walk instead of taking the coach.

Accessibility

Due to the building's heritage there are lots of short runs of steps internally, however there are a number of ground floor rooms available for the less mobile.
