

Nursery Newsletter

Week beginning 15th April 2024

Fairfields

PRIMARY SCHOOL

Welcome back!

We hope you have had a wonderful two weeks of making memories and spending quality time with friends and family. We are now two thirds of the way through our academic year and the summer term is always such an exciting one as we often see the children maturing and growing in confidence hugely during this term.

Literacy

In our Literacy this half term we will be reading books about sea creatures that live under the sea.

We will be continuing practicing name writing with the children and encouraging them to form their letters correctly.

We are also going to start teaching phonics to the children and will be exposing them to three new sounds a week.

Maths

In maths we will be continuing with number recognition and counting to 5. We will be encouraging the children to use their fingers to represent numbers 0-5. We will also be linking numerals and amounts eg show the right number of objects to match the numeral up to 5.

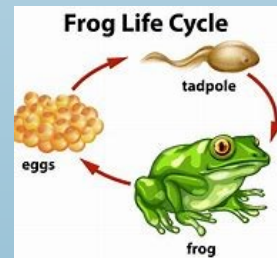

Topic

This half term we will concentrate on our understanding of the world around us.

We will be developing an understanding of growth, decay, and changes over time

Showing care and concern for living things and the environment.

We will be beginning to understand the effect that our behaviour can have on the environment and explore life cycles.

Diary Dates

Tuesday 25th June—EYFS & KS1 sports day
